PRODUCT INFORMATION

HIGHTEC VINTAGE SAE 20W-20 MILD LEGIERT

Semi-blended, monograde engine oil for vintage and classic cars based on mineral base oils.

Description

HIGHTEC VINTAGE SAE 20W-20 MILD LEGIERT is a monograde engine oil of SAE grade 20W-20 produced using selected base oils.

Application

HIGHTEC VINTAGE SAE 20W-20 MILD LEGIERT is used successfully in vintage and classic cars equipped with Otto and diesel engines according to the manufacturer's specification. The premium base oils and the adjusted additive composition with a high zinc content prevent deposits, wear and leaks, as well as material incompatibilities. HIGHTEC VINTAGE SAE 20W-20 MILD LEGIERT is usually used for operation in winter. HIGHTEC VINTAGE SAE 20W-20 MILD LEGIERT is also used in gears, provided that the manufacturer recommends the use of an appropriate engine oil.

Equivalent quality in accordance with EU-law as per

API SF/CD

Advantages

- Outstanding material compatibility
- · High zinc content for safe wear protection
- Prevention of adhesion, lacquering and coking of cylinders, pistons and valves
- Appropriate viscosity grade for winter operation
- Stable lubricating film, even with hot oil and under high loads
- Low evaporation losses ensure low oil consumption
- High level of oxidation protection by means of selected base oils
- Miscible and compatible with conventional and synthetic engine oils. However, in order to exploit the full product benefits of HIGHTEC VINTAGE SAE 20W-20 MILD LEGIERT, a complete oil change is recommended.
