

## HIGHTEC SILICONE SPRAY

### Description

HIGHTEC SILICONE SPRAY is a silicone-based release, lubricating and protective agent without mineral oil or grease content, dissolved in a chlorine-free solution carrier. Forms a transparent, long-lasting film on treated surfaces that reliably protects, lubricates and at the same time provides insulating properties.

### Application

Ensure that the surface is clean and dry. Shake can well before use. Spray on a thin, even layer from a distance of approx. 20 cm. If necessary, rub in or spread with a soft cloth. Wipe off excess product. Fold-out spray tube ensures precise spraying and dosing.

### Advantages

- Eliminates noise formation
- Excellent release agent
- Protection and care of plastics
